2017 STATELINE SUMMER VOLLEYBALL LEAGUE

PLAY & LEARN VOLLEYBALL IN A FUN ENVIRONMENT, VOTED BEST VALUE

The Season begins with instructional clinic dates followed by match play throughout the summer. The purpose of the Stateline Summer League is to establish a league that's competitive enough for club players, but not too advanced for beginning players.

Athletes learn and compete as the game teaches the game – gaining improvement through playing, and sharpening their skills in preparation for their school tryouts. Sign up individually or create a team!
