0113 Boundaries

The Lake Central School Corporation is comprised of the area in the description on file in the Central office and available for viewing at: <http://lcsc.us/about-lcsc/school-boundaries/>

Should existing elementary school boundaries need to change for any reason, the decision will be made by May 1st of the year before the change takes effect.

The administration reserves the right to assign any new residential development/subdivision to an elementary district at any time based on receipt of specific information such as number of homes, etc. Assignments will be based on logistics and available elementary classroom space.

2590 W. Morthland Ave, Valparaiso, IN 46385, 219-476-1083
Program Director: Pamela Johnson, CFMP, HHP, AADP, BS, RYT

Corporate Wellness Packages (delivered on-site for groups over 30)
Bridging Disease Management with Wellness Program Support

Weight Loss/Detox Package:

Targets those who would like to lose weight permanently by using corrective supplementation that rids of the body of toxins while replenishing with nutrients. This program is designed to provide 2 complete lab work-ups, group support, lifestyle intervention tools, education and nutrition/exercise protocol. Based on research, those who complete the program are expected to achieve significant reductions in BP, Triglycerides, BMI, glucose, insulin levels, and medication doses.

Cost to Employer - \$220.00 (see cost break down below).

- Comprehensive metabolic profile and health history review and consult --\$25.00 (discounted from \$50.00)
- 12-week onsite education program (6 live presentations, 6 video presentations) \$120.00
- Two lab work ups to monitor progress with reports sent to physician (week 4 and 12) -\$25 (discounted from \$80)
- 30-minute consult with Certified Functional Medicine Practitioner \$50.00
- Nutrition and exercise protocol for 12 weeks (included)
- Aggregate report of health improvements (included)
- Corrective supplementation (Cost to employee-- \$200.00 for 12 week plan.)

Cardiovascular/Metabolic Package:

Targets high lipid levels or high glucose levels: This program is designed to provide two complete lab work-ups, group support, lifestyle intervention tools, a nutrition and exercise protocol, education and corrective supplementation designed to significantly improve cholesterol ratios. Based on research, those who complete the program are expected to achieve significant reductions in cholesterol ratio and reductions in medication.

Cost to Employer - \$220.00(see cost breakdown below).

- Comprehensive metabolic profile and health history review and consult --\$25.00 (discounted from \$50.00)
- 12-week onsite education program (6 live presentations, 6 video presentations) \$120.00
- Two lab work ups to monitor progress with reports sent to physician (week 4 and 12) -\$25 (discounted from \$80)

- 30-minute consult with Certified Functional Medicine Practitioner-- \$50
- Nutrition and exercise protocol for 12 weeks (included)
- Aggregate report of health improvements (included)
- Corrective supplementation (Cost to employee-- \$250.00 for 12 week plan.)

Clinically Supervised Weight Loss Program:

Targets those who need to lose over 30 pounds and would like to permanently lose a minimum of 10 pounds in 20 days and continue to lose throughout the program. This provides three on-site consults, a strategic diet plan (with supplements that support weight loss with natural carb blockers and a homeopathic HCG that helps burn belly fat), 2 complete lab work-ups, group support, lifestyle intervention tools and education (This program is facilitated by our Certified Functional Medicine Practitioner Partner. Payment will be made directly to him. Onsite education will be provided by Pamela Johnson.

Cost to Employer -- \$320.00 (see cost breakdown below)

- Comprehensive metabolic profile and health history review and consult --\$25.00 (discounted from \$50.00)
- 12-week onsite education program (6 live presentations, 6 video presentations) \$120.00
- Two lab work ups to monitor progress with reports sent to physician (week 4 and 12) -\$25 (discounted from \$80)

- Nutrition and exercise protocol for 12 weeks (included)
- Aggregate report of health improvements (included)
- Corrective supplementation (Cost to employee-- \$200.00 for 12 week plan.)

BEMER Package:

Targets those with pain or injury and those who may not be ready or able to commit to a diet and exercise program due to injury or lack of interest. Uses low intensity, broad spectrum, multiple frequency electromagnetic fields to decrease pain, heal wounds and fractures quickly, increase circulation, improve immune function, improve sleep, detoxify the body and enable nutrient assimilation. A session involves sitting on the BEMER mat for 10 minutes twice a week for 5 weeks (10 sessions). This service would be provided at Working Well's Valparaiso Location on Wednesdays, 2 p.m.-7 p.m. and Fridays 9 a.m.-2 p.m. (As a courtesy, those patients would also be invited to attend the onsite education provided with all other packages. They would not be included in outcomes data for anything other than the BEMER package).

Cost to Employer \$200.00

Cost to Employee: \$0.00

Typical disease management intervention consists of an invitation to health coaching twice monthly for 12 weeks at a cost of \$450. As you will see, these packages offer much more at a greatly discounted rate and are designed to significantly improve outcomes.

We recommend a requirement of 80 percent participation for employer contribution to be paid. To ensure success and participation, the 6 core classes can be offered on-site during the work day for groups over 30. (Many clients use payroll deduction for those who do not complete the program).
