

TRI-TOWN CHALLENGERS

The Tri-Town Challengers are a not-for-profit organization in Dyer, Indiana. Our program assists children and young adults with special needs to obtain developmental, athletic, social, and life skills. As an organization, we strive to give the special needs community the abilities and tools to live a successful and happy life.

WHO: Boys, girls, young adult, and adult athletes of all abilities ages 5 and up; Coaching opportunities available for those 18 and older! You do not have to live in district to play or volunteer!

WHAT: A separate division of baseball/softball to enable boys & girls with physical and mental challenges to enjoy the game of baseball. Teams are set up according to abilities rather than age. It is all about fun and participating in physical activities. We will have Buddies to assist and play on a team with.

WHERE: Home games will be played at Northgate Park in Dyer. Away games will be hosted by other local Challenger leagues.

WHEN: The 2018 Tri-Town Challengers season will take place from May-July. **A call out meeting will be held on Tuesday February 6th from 6:00pm to 8:00pm at the St. John Community Center.**

WHY: Inclusion is so vital that each person will have their needs met so that everyone will have access to the same opportunities in which to learn, play, and live.

HOW: Register online now at www.dyergirlssoftball.com or through the Tri-Town Challengers Facebook page. The league registration fee for Challenger division is \$40.00. Tri-Town Challengers has never prevented a player from playing if the fee creates a hardship. If you need assistance with the fee please contact us at TriTownChallengers@gmail.com. We will do our best to defray the costs of the program for Challenger players whose family cannot afford the registration fee.
