As a reminder, this is an opportunity for you to provide comment to the Board, it is not a discussion and we will not be answering questions. Those wishing to speak must wait to be recognized, and then state their name and address. Each will then have 3 minutes to speak. The Board has provided 30 minutes for public comment. In the interest of time, if your comments are the same as a prior speaker's comments, we would appreciate it if you would state your name and address and then just indicate that you agree with the other speaker.</p> <p>As was communicated to our high school community last week, late in the afternoon on Friday, September 21st we had a safety threat in our high school auto shop area involving a community member reported to have a gun.</p> <p>While we are relieved that none of our students or staff was harmed, any safety threat to our students is disconcerting and mandates a thorough investigation and review of the circumstances, staff responsiveness and our safety protocols.</p> <p>Please understand, the administration is limited in what it may share so as not to jeopardize the criminal investigation, the due process rights of staff members and the confidentiality of certain aspects of the school's safety plan.</p>

1. We can confirm that a review of this incident by the administration has been on-going. At the same time, the criminal aspects have been under investigation by the St. John Police Department. While the administration's review is not contingent upon the findings from the police investigation, the school corporation must structure its efforts so as not to interfere with that investigation or any prosecution which may result.
2. We can also share that the staff member supervising the class area where the incident occurred was immediately placed on administrative leave while the incident is under investigation. We are aware of concerns raised by parents of students in the program taught by our staff member. From a program perspective, know that we are committed to assuring that students in the Automotive Service Technology program will continue to receive instruction toward their certification without interruption.
3. We can also confirm that one of our Board members was present in the auto shop area at the time of the incident. As a witness, she has been questioned as part of the police investigation. Dr. Malchow has provided a statement for the administration's investigation.
4. From a safety perspective, as you will hear in a later portion of tonight's agenda, the administration has recommended the purchase of annoyance alarms for the overhead doors in the auto shop and machine shop areas. These systems will alarm when the door is up and will serve as a reminder for staff to close them and keep them closed – just as all other doors to our facilities are closed and locked throughout the day. The administration intends to move forward on similar systems for the theater area at the high school and the loading dock areas at all school facilities.

In addition, the administration has issued a no trespass notice to the individual at issue in the incident. The St. John Police Department has been provided with a copy of the notice and will be contacted for enforcement if violated.

Although conducted on a periodic basis, safety protocols will again be reviewed with students and staff in all buildings.

We remain committed to providing our students and staff with a safe learning environment. We applaud our students who followed our protocols of "see something, say something". We continue to encourage our students, staff, and community members to report suspicious activities. If you see something or hear something, contact our administration or the police immediately.

We will now open for public comment.

- The following community members made statements regarding the events of Friday, September 21, 2018.

PUBLIC PARTICIPATION SIGN-UP SHEET

EDUCATIONAL ISSUE OR OPERATION OF THE SCHOOL CORPORATION

The Board has provided time within its regular meetings to hear comments and concerns from members of the Lake Central school community regarding an educational issue or the operation of the School Corporation. All are asked to observe the provisions of Board Bylaw 0167.3 "Public Participation at Board Meetings" which include:

- You must reside within the School Corporation, be a representative of an organization or business located within the boundaries of the School Corporation, or be an employee of the School Corporation.
- You are expected to have followed the proper chain of command regarding the issue with the appropriate staff members and administrators per Board Policy 9130.
- Your statement is expected to be honest and accurate and given in a respectful manner.
- Your statement may not discuss matters involving personnel performance or individual student discipline.
- Each individual's statement shall be limited to approximately three (3) minutes. The Board has allocated a total of thirty (30) minutes from its meeting for all public participation. Your cooperation in limiting duplicative statements so that others may speak is appreciated.

Partnership expands resources around school mental health

BLOOMINGTON, Ind. -- Indiana University's Indiana School Mental Health Initiative (ISHMI) has partnered with [The Lutheran Foundation](#) to provide online resources to support schools and community partners as they address students' social, emotional, behavioral, and mental health needs. The Lutheran Foundation's statewide website, LookUpIndiana.org, provides information along with a resource directory of mental health provider agencies searchable by name, city, or ZIP code. The Indiana School Mental Health initiative has worked with the foundation to design [one aspect of the website that focuses on school-age issues](#). The LookUp website offers educational information in the form of videos, articles, resources, and talking points.

"The best place to proactively address the social, emotional and mental health of our children and youth is through our schools," said Christy Gauss, school mental health facilitator with the Indiana School Mental Health Initiative. "We also now know through educational neuroscience research that our students' social and emotional development is essential to promoting their cognitive and academic development."

Since 2017, the [Indiana School Mental Health Initiative](#) has provided training and resources to school personnel focusing on the social, emotional, behavioral and mental health needs of Indiana's students. ISHMI encourages a local Systems of Care approach, in which schools collaborate with local community stakeholders, including youth, agency partners and families, to collectively define challenges and provide relevant and appropriate options around prevention, intervention and service options.

		<p>About the Indiana Institute on Disability and Community</p> <p>The Indiana School Mental Health Initiative is at the Indiana Resource Center for Autism, one of six centers within the Indiana Institute on Disability and Community. The institute, an Indiana University research center, works to put good ideas into everyday practice in schools and community settings to improve choices and quality of life for people with disabilities and their families through research, education and service.</p> <p>About LookUp</p> <p>In 2016, The Lutheran Foundation launched LookUp, a website-based initiative designed to provide mental and behavioral health information, and reduce the stigma associated with these serious health issues. Visitors can search for providers throughout Indiana, read information, browse recent news and blog posts, check for upcoming events and find 24/7 help. By connecting those touched by mental and behavioral health issues with life-changing resources, Look Up serves as a statewide clearinghouse delivering community-wide hope and healing.</p>

- In accordance with HEA 1009, Indiana Code 20-40-2-3 requires us to continue to receipt all of the tuition support we receive from the State into the newly created Education Fund. As noted during my budget presentation on September 4th, approximately 14% of our current General Fund expenditures will be moving to the new Operations Fund. Subsequently, we need to transfer a portion of the tuition support from the Education Fund to the Operations Fund to cover these expenditures. At this time, we estimate that will be approximately \$7,558,850 for calendar year 2019. This resolution authorizes the Director of Business Services to make these transfers from the Education Fund to the Operations Fund equally on a monthly basis. As previously noted, this aggregate amount may need to be amended during 2019, depending on the result of the upcoming General Assembly Biannual Budget, our 2019 ADM count, and ongoing teacher negotiations
- Sandy Lessentine moved to approve. Howard Marshall seconded the motion. Motion carried.
- 5. Resolution for 2019 Budget Appropriations and Tax Rates – **Action Required**
 - This is the date and the hour established in the legal advertisement for the 2019 Budget Adoption. A public hearing was conducted on the 2019 Budget on Monday, September 17, 2018. This is the meeting at which the Board of School Trustees must formally adopt the Resolution of Appropriations. The School Board needs to make a motion to adopt the 2019 Budget Appropriations and Tax Rates as presented and then vote on the motion

 - Howard Marshall moved to approve. Cindy Sues seconded the motion. Motion carried.
- 8. Applications to the Common School Fund Loan Program – **Action Required**
 - The Administration is seeking permission to apply for a loan from the Common School Fund, Educational Technology Program. The maximum amount that we can apply for will be our official September '18 ADM count multiplied by \$100. At this time, we estimate the amount to be around \$944,200. We believe that the district should make every effort to bring additional dollars into our district to upgrade the technology in our buildings. The loan would be payable over five years at an interest rate of 1%, if awarded.
 - Sandy Lessentine moved to approve. Don Bacso seconded the motion. Motion carried.
- 9. Donations – **Action Required**
 - The Watson PTO would like to donate up to \$5,500 for the purchase of headphones, wireless mice, and flexible/alternative seating for various classrooms at Watson.
