Essential Oils 101

Plus Mini Make & Take

With things like cancer, infertility, and other health challenges on the rise, there is no time like the present to kick all those nasty harmful chemicals in your everyday products to the curb. It is time to give your body what it deserves: clean products that support rather than hurt your body. Join us to get a better idea of what is lurking in your cabinets and learn how easy it is to save money AND take care of your body at the same time! Invite your mom or bestie to join in on this fun informative class, and all will go home with 3 items that we'll DIY make, to help get you started on your journey to a healthier home and lifestyle.
