National Association for Gifted Children

NAGC's [mission](#) is to support those who enhance the growth and development of gifted and talented children through education, advocacy, community building, and research. We aim to help parents and families, K-12 education professionals including support service personnel, and members of the research and higher education community who work to help gifted and talented children as they strive to achieve their personal best and contribute to their communities.

Purdue GERI (Gifted Education Research and Resource Institute)

Centered at Purdue University, the **Gifted Education Research and Resource Institute (GERI)** is an innovative center dedicated to the discovery, study, and development of human potential. Founded by John Feldhusen in 1977, GERI's mission is holistic development of giftedness, creativity, and talents among individuals throughout their life-span. This is accomplished through enrichment programs for gifted, creative, and talented youth; graduate programs for future scholars and leaders; professional development and coursework for educators of gifted, creative, and talented students and cutting-edge research in psychology and education related to giftedness, creativity, and talent development.
