**Chandana Vavilala, M.D.**  
**Health Officer**

Dear Lake County schools,

Due to COVID-19, our immunization clinic has made many changes to our clinic protocols. We are now accepting patients by appointment only and will no longer accept walk-ins. A mask or face covering is required at all times in the building until further notice. When you arrive to the clinic, we ask that patients remain in their vehicles and call the office to let us know they have arrived.

Patients may schedule an appointment by calling us at 219-755-3658. We will continue to take precautions and follow CDC guidelines to protect all of our patients and staff.

*Thank you for your cooperation during this time.*
