

All Lake Central students will have an eLearning day today due to the bad weather. The eLearning today will be self-paced so students and families can work at the time that is best for them.

- **Teachers will post materials by 9:30AM.**
 - The materials will be posted under Canvas Assignments with the date in the title of the assignment.
 - It will include a short video of the teacher providing instruction and directions for any assignments.
- **Teachers will have office hours from 10AM to 11:30AM and again from 12:30PM to 2PM so students can ask questions and get help.** Teachers will note in Canvas how best to reach them, whether via email or Google Meet.
- **All students will have one week to complete the assignment, in case there are any issues at home where they cannot access the lesson that day.**

Remember, the login students will need for Canvas is as follows:

- **Username:** First initial; middle initial; then last name followed by @lcstudents.com. (Some students may have a number after the last name if there are other students with similar initials)
- **Password:** Capitalized first initial of the first name; capitalized first initial of last name; followed by student ID number (NO SPACES)
- **Example:**
 - Username: Robert Lawrence Stine - rlstine@lcstudents.com
 - Password: RS1234567

Students will use this same password for Clever and Gmail as well, and to log into an LC chromebook if you have one. Additional resources can be found on the LC eLearning Help Page: <https://lcsc.us/departments/elearning/>.
