

We are the Community Help Network, Inc. (home of Buddy Bags) and we're in your schools. We're there to help those students who are struggling with food insecurity. Students who receive free breakfast and lunch at school may not have enough to eat over the weekend and longer breaks. Each Buddy Bag is valued at approximately \$4.00.

We provide those students with breakfast, lunch, dinner and snacks for two days inside a Buddy Bag. Buddy Bags are sent home with students the last day of the school week. Twice a year we add a small bag of hygiene items, twice a year we add a small bag of school supplies, approximately once a month we add a small craft kit to the Buddy Bag.

We began the program at the Crown Point First United Methodist Church in September of 2017 with one school and 139 students. Today we serve over 560 students in 13 schools in 4 school districts. We formed the Community Help Network in April of 2020 as we had outgrown the space available at the church.

We are blessed to have the space at 550 East Burrell Drive. It has enabled us to grow. With growth comes added expenses. We invite members of the communities we serve to help us keep our budget healthy. Donations can be sent to Burrell Drive or made online at our website, www.communityhelpnet.org.
