

We **Learn.** We **Build.** We **Play.**

MONDAYS | 5:30 - 6:30 PM

ST. JOHN PARK OFFICE

9350 HACK ST. BLDG. 2 | ST. JOHN, IN

GRADES 1-6 | AGES 6-12

SESSION DATES

***FEES**

FALL: 9/20 - 10/25
WINTER: 11/8 - 12/13

ST. JOHN RESIDENTS: \$72.00
NON RESIDENTS: \$76.00

*PER SESSION

Learn, build and play with LEGO Bricks! These one-hour classes explore architecture, engineering and technology concepts using LEGO® Bricks. Students work hands-on to design and build machines, buildings and other constructions. While exploring new concepts related to architecture, engineering, manufacturing, the environment, etc., students develop problem solving and critical thinking skills.
