- Howard Marshall: Thank you to Dr. Bracey for the follow-up on my question dealing with cursive handwriting that I mentioned at our last board meeting. She has given me some good insight as to what we may or may not be doing.
 - Janice Malchow: Wow, I mean there's so much going on at Lake Central. I'm just amazed, whenever you go by this school, the parking lot is packed, so it's amazing how its used. I'm just so

impressed with it. They had swim and dive competition over the weekend and they had girls sectionals and our athletic directors were hosting the girls sectionals and also the dive and swim but everything was very very organized and just a lot of happenings in the athletic department and then you walk down the hallway and you have the band rehearsing and the winter guard rehearsing just so many multiple activities not to mention the extra curricular and co-curricular. I don't know who I should send congratulations to but Lake Central certainly has built a solid co-curricular, extra curricular program for our students and that's what brings a lot of students to our school. So, Mr. Moore maybe you had something to do with that over the years, so I am going to say congratulations. That's all I have to say.

- Cindy Sues: I would like to wish the girls basketball good luck on Saturday and the boys wrestling has semi state so good luck to them and if I'm missing a team I am sorry. Good luck to all of you.
