IX. Board Comments and Consideration of Future Agenda Items – *Cindy Sues*

- Howard Marshall: I hate to single out one of our athletic teams, however the girls basketball team achieved quite an accomplishment beating the number one team in the morning and then letting it all out and probably not having enough for the number three team in the state losing in the finals of the semi-state but congratulations to our Lake Central varsity girls team.

- Nicole Kelly: I echo Howard, same thing, so many of our teams and athletes had great accomplishments recently. Centralettes, wrestling, cheerleaders, girls basketball, swimming, diving, gymnastics. It's just unbelievable so kudos to those athletes and coaches, we're very proud of them.

- Jennifer Medlen: And, of course, piggybacking on that, the theater department has t highs coming up as well as other clubs and other academic groups, so that's all great stuff that's like an exciting High School Musical or something like that so yes, they are really promoting it.

- Janice Malchow: I agree with what everyone has said, our students work very very very very hard, they amaze me, their dedication, I just am in awe about it, and yes there are, there's other groups, and we don't necessarily know all of those groups but they're behind the scenes working working working, it might be science olympiad, it might be the academic bowl, there's just so many things going on and I'm so thankful that the school corporation is designed to give students those opportunities. So many parents come up to me and say "hey if parents only knew what the opportunities were at Lake Central there would be no doubt in their minds where their child would be." So, I think its a real kudo and I encourage us to keep it going like that, including the strong academic classes that have come into place at Lake Central. I remember the days when those were battles to get those placed into our curriculum, so its nice that they've been sheltered and allowed to continue in the curriculum programs.

- Cindy Sues: Those were all positive things that were said tonight, so with that I'm going to turn it over to Dr. Veracco.

X. Board Calendar of Future Activities – *Dr. Veracco*

ESTIMATED PROJECT TIMELINE

In the meantime, I will fundraise, recruit, and gather materials for the project.

- Fundraise and gather materials

April-May 2023

- Conduct Project

PROJECT BACKGROUND & OVERVIEW

I have decided that I would like to build a GagaBall pit behind Kolling Elementary for my Eagle Scout Project. GagaBall is a game that I have enjoyed playing during my time as a Boy Scout, so I wanted to make it available at the elementary school I attended.

GagaBall is a quick, fun, safe, and inclusive game for everyone. Players hit a lightweight ball with their hands at other players. If the ball hits them below the knees, they are out and wait until the last round. The goal is to be the last person standing. There are a few more minor rules, but overall it is easy to learn.

I plan on ordering materials and supplies from local hardware stores and from Coach Cliff GagaBall Pits in Waukegan, IL. He has helped with many Eagle projects in the past.

The pit will be octagon-shaped with 10ft long boards, measuring 30 inches in height. The total square footage will be 512.5 square feet. I plan on laying down mulch inside the pit for safety and better game experience. Ms. Cruz and I have designated a spot behind the playground.

MATERIALS & BUDGET

- All costs of the project will be covered by me and my troop.

LAKE CENTRAL High School, ATTENTION Publications & Broadcasting

It is my pleasure to announce a small pledge from G3 Foundation of \$5000.00 to the Broadcasting Group, known as LCTV. G3 Foundation was founded in 2019 with a mission to support students & education. I feel LCTV teaches and instills life long lessons and qualities in the students who participate. Self Confidence, Peer interactions, School spirit, and even career direction are a few of the benefits I can notice. Giving students the tools and a platform to allow their qualities to be recognized will follow them for a lifetime. LCTV, through an educational curriculum does just that. Our family & our foundation will continue its pledge to support LAKE CENTRAL students' education & growth!!

Sincerely

Kevin Gelatka
