RELIGIOUS WAIVER

Religious exemptions do not relieve parents from the responsibility of reporting a record of immunizations, nor do they relieve schools from the responsibility of maintaining an immunizations record, even if negative, for exempt students. In event of an outbreak, each student's status must be immediately available. For their own protection, exempted students may be excluded from school for the duration of the outbreak. A new form must be completed annually, if the religious exemption still applies.

Please circle the following immunizations that are being objected to:

| | |
|---------|------------------------|
| DTaP | Varicella(Chickenpox) |
| IPV | Hepatitis A |
| Measles | Hepatitis B |
| Mumps | Tdap |
| Rubella | MCV4 |

I will take full responsibility for my child's health and safety.
