SECTION II
JUSTIFICATION FOR ADDITIONAL BUS PURCHASES, TRANSPORTATION SERVICES, AND/OR EARLY BUS REPLACEMENT

1. Pursuant to IC 20-40-18-9(3)(A), if the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus, the circumstances of the demand for increased transportation services within the School Corporation. (Attach additional sheets if necessary)

Due to the labor shortage, we hope to purchase an additional mini-bus that can be driven by school personnel who do not have a CDL license. The bus would be used for short routes and after school activities.

2. Pursuant to IC 20-40-18-9(4), if the School Corporation is seeking to replace an existing school bus earlier than twelve (12) years after the existing school bus was originally acquired or requires a contractor to replace a school bus, explain for each bus the circumstances for that need. (Attach additional sheets if necessary)
