3. The term "insurance" when used hereinafter in the Agreement shall refer to the Lake Central group insurance.

Article II: Association Rights

A. Association Business

The president of the Association or his/her designee shall, upon request, be granted a total of five (5) days per school year to be absent from regularly assigned contractual duties, with pay, to conduct Association business, provided that twenty-four (24) hours written notice is given to the president or president's designee's school building principal. It is agreed that the days provided for herein shall be taken in increments of one-half or full school days.

B. Legislative Leave

1. A bank of five (5) days per year shall be assigned to the Association President for disbursement to teachers at his discretion for the purpose of lobbying. Five additional days shall be granted for the purpose of lobbying provided the days are requested in writing by the President of the Association. Additional days may be granted by the Superintendent. Article III: Leaves

Family and Medical Leave Act Overview

The FMLA entitles eligible employees of covered employers to take unpaid, job-protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken leave. Eligible employees are entitled to:

1. Twelve workweeks of leave in a 12-month period for:
 - a. The birth of a child and to care for the newborn child within one year of birth.
 - b. The placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement.
 - c. To care for the employee's spouse, child, or parent who has a serious health condition.
 - d. A serious health condition that makes the employee unable to perform the essential functions of his or her job.

Examples of Lake Central benefits through FMLA

1. For family illness that qualifies for FMLA, the teacher shall be permitted to use current year family illness leave balance as well as days from accumulated sick leave in order to spend up to 15 days with their family member in any given school year.
2. If after the birth of a child, the birth mother experienced additional health complications that made the employee unable to return to work, she would submit the appropriate documentation

from the medical professional. Upon approval she would have the ability to go unpaid or use her available balance of sick days as paid days.

3. If an employee experiences a qualifying event under FMLA, once the documents are submitted and approved, if the qualifying event is for the covered employee, the individual could choose to go unpaid or use their available balance of sick days as paid days.

A. Personal Illness/Family Illness

1. Certified teachers shall be granted nine (9) paid days of personal/family illness leave at the beginning of each school year provided they report to work at the beginning of the school year. If an employee begins the school year on leave, the number of paid days of personal/family illness leave for that year will be prorated based on the percentage of the school year that remains when the employee returns to duty. Employee use of paid leave for family illness purposes is limited to ten days per year. (Personal Business Days may also be used to care for a family member). Teachers can track their accumulated personal illness leave days by accessing the corporation Intranet, then Employee Access.
2. Unused leave shall be cumulative from year to year without limit.
3. Two (2) days of leave with pay will be given for personal illness for full time Summer School teachers. If unused, these days will be moved to the teacher's benefit bank at the end of summer school. Any teacher working a portion of summer school will have these days prorated accordingly.
4. A teacher who does not renew his contract, or whose contract is not renewed, is not entitled to any unused sick leave benefits after the last contract day of the current school year.
5. A teacher who has prior teaching experience or has prior accredited college teaching experience will be permitted to transfer in their second year of employment with the Lake Central School up to 3 days of sick leave accumulated with the prior school employer and 3 days for each succeeding year until the accumulated sick leave is exhausted.
6. Teachers may also be eligible for up to twelve (12) weeks of unpaid leave for personal/family illness under the Family Medical Leave Act. Any certificated staff member who anticipates an extended leave for themselves or an immediate family member must apply for FMLA regardless of their accumulated leave balance.

B. Personal Business

1. Teachers are entitled to four (4) days for the transaction of personal or civic affairs during the school year without loss of compensation. A written statement of intention to take personal leave shall be submitted to the Building Principal. Additional leave without pay may be granted by the Superintendent.
2. An additional one half (1/2) day of personal leave shall be given to a teacher in exchange for attendance at his/her school's annual open house(s) held outside the regular school day during the first semester of the school year. Prior to the event, the date, time, and place of the event shall be communicated to the school's certified staff. The teacher shall sign in at the open house(s) to guarantee the one half (1/2) day leave. Unused personal leave shall be applied to the teacher's accumulated sick leave. Teachers who are asked to attend more than one open house are entitled to one half personal day for each open house.

C. Workers' Compensation (On The Job Injury including extra-curricular)

A teacher injured in the course of employment must make the initial visit with Lake Central's designated medical treatment facility for workers' compensation. Our designated Franciscan Working Well facilities are located at:

12800 Mississippi Parkway, Suite A 204, Crown Point

7905 Calumet Ave, Munster

The physician must be informed that the visit is the result of an accident described under the Workers' Compensation Act. After that initial visit, any additional medical attention, including surgery, must be first approved by the corporation's workers' compensation insurance carrier. For absence due to injury incurred in the course of the teacher's employment, the Board shall pay, to teachers qualifying for Workers' Compensation, (i.e. medical benefits, disability/impairment benefits) the difference between their salary and the benefits received under the Indiana Workers' Compensation Act for a period not to exceed one hundred (100) school days. Pay received under this provision will not cause reduction in any other leave days provided in this Agreement.

The Board may, in its sole and exclusive discretion, grant to a teacher injured in the course of the teacher's employment such additional paid leave days as the Board deems appropriate.

D. Professional Leave

1. Teachers may request Professional Leave.
2. Requests for Professional Leave must be submitted within sufficient time for Board consideration at the next regularly scheduled Board meeting in advance of requested leave date.
3. Teachers may request reimbursement for travel, food, lodging, and registration fees. Teachers requesting reimbursement shall be informed of approval or denial prior to the leave, and if approved, in part or in total, shall receive payment following presentation of receipts and filing of a claim.
4. All requests for Professional Leave shall be forwarded to the Superintendent. The Superintendent shall provide to the teacher the reason(s), in writing, for any denial of a leave or denial of reimbursement for leave expenses. Such decisions shall be made on a fair basis applied consistently to all affected personnel.

E. Bereavement

The Lake Central School Corporation recognizes the importance of allowing its employees to grieve and celebrate the life of a loved one at or around the time of death. In the case of death within the immediate family, an employee shall be entitled to be absent from work without loss of compensation for a period extending up to five (5) workdays related to the death/funeral services. Immediate family members shall be interpreted as husband, wife, child, sister, brother, mother, father, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandchild, grandparent, step-parent, step-child, or any other member of the family living in the same household no matter what degree of relationship.

The employee shall submit a Bereavement Leave Request form to his/her immediate supervisor indicating the specific funeral/memorial arrangements.

Employees may request to use family illness, personal business, or accumulated personal illness days in order to attend a service for other persons not considered immediate family.

In the case of the death(s) of a building staff member(s), a committee made up of the superintendent, the building principal, and the LCTA building representative may grant bereavement time for the purpose of attending the funeral. This time shall not cause a reduction in any other leave days provided, loss of pay nor hardship to the school.

F. Military

1. Military leave of absence without pay will be granted to any teacher who is inducted or initially enlists in any branch of the Armed Forces of the United States. Teachers called to military service have been granted status and contract rights under Federal Military Employment Rights Act and Indiana Code.
2. Teachers taking a physical examination required by the military shall be granted absence with pay not to exceed one (1) day.
3. If the National Guard or Reserve Unit is called to temporary active duty during the school year due to an emergency situation, a leave of absence will be granted for a period not to exceed two (2) weeks. The teacher will receive his regular base salary minus that paid by the government.
4. All military service up to four (4) years may be recognized for experience purposes on the salary schedule. The above shall apply to all veterans who took the Oath of Allegiance, wore the uniform, served either in combat or non-combat units, and were honorably discharged.
5. In order to translate the military experience into teaching experience, eight (8) months of either military service or military service combined with school teaching experience shall be deemed equivalent to one (1) year of teaching experience, providing that such service takes place between July 1 and June 30.
6. The teacher shall be entitled to re-employment rights in the position he is vacating or one of like status and pay scale, provided:
 - a. He is honorably discharged or separated from the Armed Forces.
 - b. He is still qualified and competent to perform the duties of such teaching position.
 - c. He applies for re-employment within sixty (60) days after separation from active duty.

G. Maternity/Paternity/Adoptive

Any teacher who is pregnant may continue in active employment as late into pregnancy as she desires, if she is able to fulfill the requirements of her position. Temporary disabilities caused by pregnancy shall be governed by the same provisions governed by the Family Medical Leave Act and the following:

1. Any teacher who is pregnant is entitled to a leave of absence based on the rules and regulations of the Family Medical Leave Act.
2. Under a normal pregnancy and delivery, a teacher is afforded the benefit of utilizing 30 sick days of their accumulated balance as paid days during the 6 week period immediately following the birth of the child. If a delivery is by C-Section, a teacher is afforded the benefit of utilizing 40 sick days of their accumulated balance as paid days during the 8 week period immediately following the birth of the child.

3. When a maternity leave is requested, the teacher shall select one of the following options:
 - a. She shall notify the Superintendent of the subsequent length of her leave based on the expected due date and projected date of return based on the rules governing FMLA above, or
 - b. The teacher, the principal, and the Superintendent shall discuss and mutually agree upon the return date. If consensus cannot be reached, the Superintendent shall put in writing the reason for the required return date.
 - c. In the event a teacher wishes to change the expected beginning and/or ending dates of a previously arranged maternity leave, she shall use option (a) and/or (b) immediately above.
4. Teachers who desire maternity leave shall have their physician complete the appropriate leave forms.
5. An employee who requests a paternity or adoptive leave that qualifies under the Family Medical Leave Act for up to 12 weeks of unpaid, job protected leave has the option to use his family illness and personal business days as paid days after the birth of a child.

H. Emergency Leave

1. In case of emergencies, the building principal or his designee may grant permission for a teacher to be absent a part of the day. If coverage of the absent teacher's duties and assignments is of no cost to the Corporation and meets the building principal's approval, the absence without loss of pay will be approved. If cost to the Corporation is a factor, the absence will be charged to an applicable existing leave or be deducted from the day's pay, either of which shall be calculated on a prorated basis of time missed in the regular day.
2. If after a teacher has stated that an emergency exists, but the building principal or his designee does not agree, and the teacher continues to feel that the matter in question must require him to be absent from the building, he may leave after informing the principal of his intended action. The building principal or his designee will report the absence, and the teacher will be subject to loss of pay. Upon return, the teacher may request that the matter be referred to the Superintendent for review and disposition.

I. Jury Duty Leave

1. In case of absence in response to jury duty, the teacher shall receive his regular base salary once the jury duty attendance form is submitted to payroll.
2. In case of absence in response to a subpoena connected with a teacher's school related duties and activities, the teacher shall receive his regular base salary.

J. Extended Medical Leaves

1. For personal illness that extends beyond the period of sick leave compensation (FMLA), an unpaid leave of absence may be requested. If approved, the teacher shall be permitted to continue in the insurance program during the leave until the employee has exhausted their accumulated leave balance. At the point where the leave becomes an unprotected leave, the employee may continue in the insurance program by means of direct payment of the premium to the Lake Central School Corporation for a period not to exceed the length of the approved leave.

K. Extended Leaves

1. Leaves may be granted at the Board’s discretion for other reasons based on a recommendation of the Superintendent.

L. Ceremonial Rites Leave

A teacher shall be entitled to be absent from work for one (1) day per school year to attend or participate in rites, ceremonies or services of significance to the teacher which occur during the teacher’s workday. The day used shall be deducted from the teacher’s family illness allotment.

The sick day total to be used in the calculation will be the amount accumulated at retirement minus the amount accumulated as of June 30, 2015. Retirement benefits shall be paid in the teacher's last school year to a 401 (a) plan account.

D. Teachers hired by LCSC after the conclusion of the 2003-2004 school year (Ongoing Plan)

1. Those teachers described above in Section C and teachers hired after July 15, 2004, will, in addition to their contracted salary, receive an on-going contribution of 1.25% of their base salary at the end of the school year. The LCTA and the Administration agree the 1.25% contributions will be apportioned with .50% deposited into the VEBA and .75% deposited into the 401(a); except that beginning with the 2019-20 school year, the on-going contribution rate will be 3.00% of their base salary, apportioned with .50% deposited into the VEBA and 2.50% deposited into the 401(a). Teachers will be fully vested in the program after ten (10) years of experience in the School Corporation.
2. These retirement benefits are now similar to the benefits described above in Section B with the exception of the age at which a teacher qualifies. Beginning with the 2015-16 school year, these teachers, if 55 years of age or over, are eligible for Indiana Teacher Retirement and who have ten (10) years of experience in the Lake Central School Corporation, may elect to retire from the Corporation and receive a one-time supplemental retirement benefit of two thousand dollars (\$2000), plus, seventy dollars (\$70) for each unused sick leave day from July 2015 forward. The sick day total to be used in the calculation will be the amount accumulated at retirement minus the amount accumulated as of June 30, 2015. Retirement benefits shall be paid in the teacher's last school year to a 401 (a) plan account.

E. Additional information that applies to teachers in C and D above:

Since 2004, teachers who had less than 10 years at LCSC and those hired after July, 2004 have been receiving 1.25% (changing to 3.00% in 2019-20) of their salary contributed to their 401a/VEBA accounts while veteran teachers described in Section B above, until 2015-2016, did not receive that contribution to their 401a/VEBA accounts. It is for this reason teachers who have accumulated days prior to the 2015-2016 school year will be compensated for their days at retirement using the calculation described in Section B above.

Example: Teacher has taught for ten years and has 35 days in his accumulated sick bank as of June 30, 2015. He teaches for twenty more years and at retirement has a total accumulation of 235 days. The sick day benefits paid to his 401a will be calculated as follows:

Total # days at retirement:	235
Less # days accumulated as of 6.30.15:	<u>- 35</u>
Net:	200
Multiplied times \$70 per day	\$14,000

F. Retirement Insurance Program

Immediately following retirement, the teacher shall have the option of remaining in the Corporation's current hospital/major medical insurance program, hereinafter referred to as group health plan, if the following conditions are met as of the date of retirement and thereafter:

1. While the retired teacher is enrolled in the group health plan, the retired teacher shall pay the entire insurance premium applicable to the insurance coverage, with the annual payment to be made on or before September 1st for the succeeding year or make arrangements for monthly payments of the premium; and

2. Within ninety (90) days of the retirement date, the teacher has provided a written request to the School Corporation for participation in the group health plan.

When a retired teacher first becomes eligible for Medicare (age 65), the teacher's eligibility to continue to participate in the School Corporation's group health plan shall terminate. The teacher's spouse and dependents, if any, will be allowed to continue participation for 36 months as required by COBRA, or until eligible for Medicare, whichever occurs first. It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible teacher's right to continue health insurance for the teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8-2-6. Therefore, this right to extended coverage shall not override any rights to continuing healthcare coverage.

Forfeiture Policy for teachers who are not vested

If a teacher is a member of C or D (above), and his/her employment is severed due to a reduction in force, special provisions regarding forfeiture will apply. In order to protect any teacher who may be rehired after being part of a Reduction in Force, VEBA and 401 (a) accounts will not be forfeited until September 1st of the subsequent school year.

Additional Information on VEBA and 401 (a)

The School Corporation shall contribute to a voluntary employee's beneficiary association (VEBA) as described in section 501(c)(9) of the Code, that amount representing the present value of the group health insurance benefits and term life insurance as calculated for all employees. The organization administering the VEBA account shall be made by mutual agreement. (Currently Security Benefit) The term and conditions for the administration and operations of the VEBA shall be as follows:

1. The amount calculated for each employee will be invested in a separate VEBA account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.
2. Until such time that an employee has retired and satisfied the eligibility requirements, the employee shall have no access to the assets held in his or her separate VEBA account. At no time may a participant borrow from the VEBA plan account.
3. Following retirement, a retired employee may elect to commence distributions from his VEBA account to pay health insurance premiums and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. If an employee dies after having satisfied vesting requirements, the deceased employee's spouse or dependent children (or other dependents as defined by the IRS), will be able to use the remaining funds in the account for their eligible health care expenses. If the employee has no surviving spouse or dependent(s), any remaining funds will be forfeited. NOTE: IRS Revenue Ruling 2006-36 does not permit the payment of benefits to non-dependent heirs in the event a deceased participant has no surviving spouse or dependent(s).
4. If an employee resigns or otherwise terminates employment before satisfaction of vesting requirements, the terminated employee's VEBA account shall be forfeited as of June 30.

401(a) Plan

The School Corporation shall establish a qualified retirement plan as described in section 401(a) of the Code. The organization (Currently Met Life), administering the 401(a) plan's terms and conditions for the administration of the 401(a) plan shall be as follows:

1. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) plan.
2. Until such time that an employee has retired and satisfied eligibility requirements, the employee shall have no access to the assets held in his or her separate 401(a) plan account. At no time may a participant borrow from his 401(a) account.
3. If an employee retires or otherwise terminated employment before satisfaction of vesting requirements, the terminated employee's 401(a) plan account shall be forfeited as of June 30.
4. Following retirement and the satisfaction of vesting requirements, a retired employee may elect to commence distributions from his 401 (a) plan account. If an employee dies after having satisfied vesting requirements, the deceased employee's 401 (a) plan account shall be distributable to the decedent's designated beneficiary or to his/her estate if no beneficiary designation has been made.
