## Program Breakdown:

**MINI (ages 2 to 3):** This high-energy program introduces children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game. Through fun games, songs and positive reinforcement, children will begin to experience the joy of playing soccer and being active.

**CLASSIC (ages 3 to 5):** Using creative and imaginative games, weekly sessions focus on basic soccer skills like dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation.

**PREMIER (School-Age/K - 2nd):** This advanced program is for Kindergarten through 2nd graders. We utilize an age-specific curriculum that develops skills and progresses with competitive play. Each session provides an opportunity for children to be challenged through fun games and team competitions.
