

PLAY GROW LEARN

Griffith Family YMCA

Early Learning Academy

Our Early Learning Academy at the Griffith Family YMCA offers several day care and preschool program options to accommodate the needs of the child and the parents. All programs and classes are taught by degreed/licensed teachers to help your child reach his/her full potential academically and socially. We offer an academic curriculum that exceeds Indiana preschool standards and is designed to prepare your child for their entrance into kindergarten.

For ages 13 months to 5 years, this program uses a holistic approach to foster language, cognitive, emotional, physical, and social development to promote life-long learning and academic achievement. Our trained professionals who are chosen for their warmth, creativity, experience with children and commitment to excellence create a fun, positive classroom atmosphere that engages multiple styles of learning. Complimentary family membership is available for full-time Early Learning Academy students.

Registration Fee (one-time, new family)	\$60
3-5 year olds; care available 6:00am-6:30pm	\$185/week
13-36 months; care available 6:00am-6:30pm	\$225/week
