SUPERINTENDENT ADDENDUM TO REGULAR TEACHER'S CONTRACT

This Superintendent Addendum to Regular Teacher's Contract supplements the basic teaching contract of Lawrence H. Veracco, Ph.D. ("Superintendent") as Superintendent by the Board of School Trustees of Lake Central School Corporation ("Board" and "School Corporation", respectively) in accordance with I.C. 20-28-8-6, replaces all previously executed addenda and is intended to set forth the terms and conditions of the employment relationship between the School Corporation and the Superintendent.

I. TERM.

The Board employs the Superintendent and the Superintendent agrees to be employed by the Board as the Superintendent, the Chief Executive Officer, of the School Corporation for a period of five (5) years commencing July 1, 2014, unless otherwise terminated in accordance with I.C. 20-28-8-7(1), (2) or (4), as amended. The term of this contract shall be automatically extended by one (1) year each year unless the Superintendent is notified in writing to the contrary by December 15 of each calendar year. The parties agree that the statute providing for extension, specifically, I.C. 20-28-8-8 shall not apply. The parties agree that the Superintendent shall provide services on two hundred sixty-one (261) days per contract year.

II. CERTIFICATION, DUTIES AND AUTHORITY.

(A) It is agreed that Superintendent shall perform the duties of Superintendent of Schools in and for the Lake Central School Corporation and the Superintendent hereby agrees to devote his professional time, skill, labor and attention exclusively to said employment during the term of this contract, except as provided herein. It is expressly understood that this contract does not confer tenure upon the Superintendent in that position. It is agreed that the Superintendent will maintain throughout the term of this contract all valid certification and licensing evidencing his qualifications to serve as Superintendent of an Indiana public school corporation as required by Indiana law and the Indiana Department of Education. Failure to maintain such certification and licensing during the term hereof shall be considered cause for automatic termination of this contract without further notice or hearing.

(B) The Superintendent, with the advice and consent of the Board, will have authority to organize, reorganize and arrange the administrative and supervisory staff which, in his judgment, best serves the interests of the Lake Central School Corporation. The School Corporation and its business affairs will be administered by the Superintendent with the assistance of his staff, consistently with state and federal law, legally binding rules, regulations and directives of any state or federal agency and the policies, rules, regulations and directives promulgated by the Board. The responsibility for the selection, placement and transfer of personnel shall be vested in the Superintendent and his staff, subject, however, to the approval of the Board. The Board, individually and collectively, will refer promptly all criticisms, complaints and suggestions called to its attention to the Superintendent. To the best of his ability, the Superintendent will keep the Board fully and timely informed as to all financial, personnel, programming, and student matters of the School Corporation which require Board consideration. The

Superintendent shall not knowingly or intentionally withhold information from the Board which has been requested by the Board, or which should be provided to the Board.

III. EVALUATION.

(A) The Board and the Superintendent shall meet each November during the term of this contract in Executive Session for the purposes of verbally discussing the performance of the Superintendent. The Board and the Superintendent shall meet in Executive Session each June, or as soon as can be scheduled after receipt of the School Corporation's letter grade from the Indiana Department of Education, for purposes of formal written evaluation of the Superintendent. The Board, or a committee of its members, shall meet with the Superintendent to discuss, develop and adopt a mutually agreeable evaluation format. This provision shall not prohibit the Board from performing more frequent evaluations as needed in the Board's discretion.

(B) In the event the Board determines that the performance of the Superintendent is unsatisfactory, the Board shall meet with the Superintendent to review the performance, describe in writing in reasonable detail the specific instances of unsatisfactory performance and recommendations as to the areas for improvement where applicable.

IV. SALARY AND BENEFITS.

(A) **Salary:** Effective retroactively to July 1, 2014, the Superintendent's base salary shall be \$154,500.00 per contract year payable in equal installments on the School Corporation's normal payroll dates, except that on the first payroll date after execution hereof the Superintendent shall receive a one-time payment along with corresponding benefit payments (e.g., TRF, annuity) equivalent to the salary increase from July 1, 2014 to such payroll period.

(B) **TRF Contribution:** School Corporation shall pay on the Superintendent's behalf an amount equal to the Superintendent's required Indiana State Teachers' Retirement Fund (TRF) contribution into TRF.

(C) **Annuity:** School Corporation shall pay an amount equal to 8% of Superintendent's annual base salary per contract year into a 401(a) account in accordance with all applicable laws, account rules and in the same manner as set forth in the then current version of the School Corporation's Administrator's Handbook approved by the Board of School Trustees.

(D) **Sick Days:** School Corporation will provide sick days as set forth in the then current version of the School Corporation's Administrator's Handbook approved by the Board of School Trustees. Unused sick days are not compensable.

(E) **Vacation / Holidays:** School Corporation shall grant twenty paid vacation days per contract year and paid holidays as set forth in the then current version of the School Corporation's Administrator's Handbook approved by the Board of School Trustees. Unused vacation days are not compensable and may not be carried forward to the next contract year without prior consent of the Board of School Trustees.

(F) **Health, Dental, and Vision Insurance:** The School Corporation shall provide for the Superintendent either: 1) participation in the School Corporation's then current health, dental and vision insurance program (single or family plan) at the School Corporation's expense; or 2) in lieu of participation in the health, dental and vision insurance program, an increase in annual salary in the amount of \$10,000.00, in which case, the Superintendent must independently obtain such insurance coverages, all as further described and set forth in the then current version of the Administrator's Handbook approved by the Board of School Trustees.

(G) **Life Insurance.** School Corporation shall provide life insurance benefits as set forth in the then current version of the School Corporation's Administrator's Handbook approved by the Board of School Trustees, and additionally shall pay the premium for the additional \$50,000.00 in life insurance as allowed under the plan.

(H) **Professional Liability:** The Board agrees to provide the Superintendent with legal counsel selected and paid for by the Board and to defend, indemnify and hold harmless, the Superintendent from any and all demands, claims, suits, actions or legal proceedings brought against the Superintendent in his official capacity as agent or employee of the Board or the School Corporation, or in his individual capacity, provided the same arose while he was acting within the scope of his employment with the Board as a Superintendent. All actions, choices and decisions made, which are customarily and usually considered within the authority and responsibility of an Indiana public school administrator, or which were made under apparent authority of statute or applicable common law or were specifically or impliedly authorized by the Board, shall be considered within the scope of employment for purposes of this provision, except for intentional acts, acts in reckless disregard of the law or acts which serve as the basis for criminal charge.

(I) **Professional Organization Membership and Conference Attendance:** The Superintendent shall devote his entire time, attention and energy to his duties as the Superintendent. However, to the extent that outside activities do not interfere with such duties, the Board encourages the continuing professional growth of the Superintendent through his participation in professional seminars, programs, and conferences sponsored by local, state and national associations of school administrators and school boards, as well as seminars offered by public or private educational institutions or associations and memberships in local civic organizations and educational and professional organizations and will pay the expenses of same as approved in advance by the Board of School Trustees and provided by the Board in its annual budget. Costs for accompanying spouse at any such conferences or programs to be paid by the Superintendent individually.

(J) **Physical Examination of Superintendent:** The Superintendent shall submit to and obtain an annual physical examination by a licensed physician prior to June 1st of each contract year. Any cost of the physical examination in excess of that covered by the School Corporation's then current health insurance plan offered to the Superintendent shall be borne by the School Corporation. The Superintendent shall provide a brief report to the Board concerning his physical health at least two weeks prior to the date of his annual June evaluation with the Board. The Board reserves the right to require a written report from the examining physician specifying the physician's findings.

(K) **Disability:** The parties acknowledge and agree that the Superintendent is a key employee and as such, if the Superintendent is unable to perform any or all of his duties by reason of illness, accident or other cause beyond his control for a period in excess of his accumulated sick leave and unused vacation time, the School Corporation may, at its option, terminate this contract; whereupon, the respective duties, rights, and obligations of the parties hereunder shall terminate, except for vested rights of the Superintendent in disability and medical insurance policies and/or in retirement and pension programs of the School Corporation.

(L) **Teaching/Consulting Opportunities:** The Superintendent shall devote his entire time, attention and energy to his duties as the Superintendent. However, the Superintendent shall be permitted to utilize non-duty time and vacation days to engage in consultative services and teaching activities as long as those activities do not interfere with the duties to be performed as Superintendent. The Superintendent shall inform the Board in writing of all such consulting and/or teaching activities and may engage in such activities with the prior approval of the Board. If the Superintendent chooses to use vacation leave to perform such approved outside activities, he shall retain any honoraria pay.

(M) **Other Benefits and Terms of Employment:** School Corporation shall provide other employment, retirement, and fringe benefits to the Superintendent and Superintendent's employment shall further be governed by the then current version of the School Corporation's Administrator's Handbook approved by the Board of School Trustees.

This contract is governed by the laws of the State of Indiana and shall be subject to the provisions of any applicable state law concerning the terms and conditions of employment between a public school corporation and its superintendent. If during the term of this contract it is found that a specific clause of the contract is illegal in federal or state court, the remainder of the contract not affected by such ruling shall remain in full force and effect.
