Students please stop by in front of the Library and see if any of the items there belong to you. There's a collection of clothing, pencil pouches, lunch boxes and much more waiting to be claimed. Also, in the office we have 4 pairs of reading glasses and various jewelry pieces. If you're missing any jewelry, please stop by and see if any of these items are your lost treasure. You will need to describe the jewelry piece that you are missing to claim. Also, students don't forget to look by the school water fountains, there you may find missing text books, file folders, notebooks, etc. Finally, always remember to label your items (if possible). Thanks!!!

This week is *American Education Week*. As we celebrate public education, I want to thank our parents and families for their continued support and partnership in helping us lift our students to new heights. I want to thank our students for their good character, hard work, perseverance, and involvement in and out of the classroom. I also want to **thank our excellent and dedicated teaching and support staff** for their commitment to our students and school. Please take time this week to send or email a note of thanks to your child's teachers.

Sincerely,

Mr. Ken Newton
