We ask that all students have their summer reading done by the first day of school. Students should expect tests/quizzes and other assessments over the summer readings. Teachers will go over specific due dates for the quizzes and performance assessments with students once school begins.

It's also preferred that students have an actual copy of the book with them if possible (digital copies of the book on a Nook, Kindle, etc. are fine as well) so that they can complete the activities, many of which require referencing the text and providing text-based evidence. This is where having a copy of the book is helpful.
