Next week is the final week to win a free book! Guess who the Kahler reader is. Go to K Hall and across from Mrs. LBJ's room is a yellow bulletin board where you can guess. This reader works in the front office and has a yorkipoo named Penny. This person also loves the following books: Charlotte's Web, Goodnight Moon, and Harold and the Purple Crayon. Make a guess on who this reader could be by the end of the month, and you could win a book of your choice.

8th Grade Bookclub Don't forget today is the day!! (September 24)
During eighth grade lunch grab a lunch or bring your own, but show up to the teacher's lounge for lunch, and we will discuss the book. Note: if you are getting a hot lunch, you may cut the line with the buzzword "book club." Bring the book with you to lunch because we will be collecting it to return to the public library. Hope to see some eighth graders there. If you have questions, see Mrs. Bloom-Johnson in room 143.

Book Club - ANY 7th Grader

How to join: At the beginning of the month, get a copy of the book from Ms. Rose at the library. Then, on the last Tuesday of every month, meet in the library after getting your lunch (you can jump to the front of the lunch line) to discuss the book. You *must* return the book at the meeting (or sooner if you finish it earlier) and it must be in good shape. We are borrowing the books from the public library and need to return them in the shape we got them.

NOTE: While you are welcome to come every month, if you don't want to, you can just come the months the books interest you.

Tuesday, September 28: *Scythe* by Neal Shusterman Sci-Fi

A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control.
