Attention Kahler! We are looking for scholars to represent our school in the Academic Super Bowl! Our primary goal is to have fun while we prepare to compete, in teams, in Science, Social Studies, English, and Mathematics. We will meet two to three times a week to learn about “Canada, Our Neighbor to the North.” Meeting times will be flexible. **The call-out meeting for the Academic Super Bowl has been moved to Tuesday, February 8 during advisory in room 236. Any 6th to 8th graders interested in competing for Kahler should attend.**

For the month of January, the “guess who Kahler reader” comes to a close by the end of this week. Which Kahler reader loves the *Chronicles of Narnia*, *Harry Potter*, and the *Count of Monte Cristo*? This Kahler reader also loves Agatha Christie.

This Kahler reader also crochets, loves movies, and was both a softball player and a swim team member when she went to school. This Kahler staff member can cure what ails you. Who is it? Make a guess: put the slip in the envelope attached to the display across from room 143 and you could win a book of your choosing.

## Attention Eighth Graders

The February book for lunchtime book club is *Eleanor and Park* by Rainbow Rowell, **Eleanor** is the new girl in town, and with her chaotic family life, her mismatched clothes and unruly red hair, she couldn't stick out more if she tried.

**Park** is the boy at the back of the bus. Black T-shirts, headphones, head in a book—he thinks he's made himself invisible. But not to Eleanor... never to Eleanor.

Slowly, steadily, through late-night conversations and an ever-growing stack of mix tapes, Eleanor and Park fall for each other. They fall in love the way you do the first time, when you're young, and you feel as if you have nothing and everything to lose

**If you care to read this book and come to book club, come to LBJ's classroom 143 to get your borrowed copy. Book club for the month of February is February 25.**

7th grade book club is back for February! This month, the book is *American Born Chinese*, an awesome graphic novel.

*American Born Chinese* tells the story of three apparently unrelated characters: Jin Wang, who moves to a new neighborhood with his family only to discover that he's the only Chinese-American student at his new school; the powerful Monkey King, subject of one of the oldest and greatest Chinese fables; and Chin-Kee, a personification of the ultimate negative Chinese stereotype, who is ruining his cousin Danny's life with his yearly visits. Their lives and stories come together with an unexpected twist in this action-packed modern fable.

If this seems like something you'd be interested in, grab a copy of the book from Ms. Rose in the library. On February 22, join us in the library during lunch to eat and discuss the book. Any and all 7th graders are welcome! If you have questions, see Ms. Lambert in room 139.

Anyone interested in having a ton of FUN and learning some chants, a cheer, a dance and stunting, please pick up a CHEER CLINIC form in the front office. You'll also have an opportunity to perform for your family and friends on March 10th

from 5:30 - 6:00. Any questions see Coach Dimopoulos in room 245.
