**7th Grade Book Club:** If you love to read and discuss books, then you should join us for the 7th grade book club. We meet once a month during lunch to discuss the book we read. You can come every month or just for the books that interest you.

See Ms. Rose to get a copy of the book each month. Then, on the last Tuesday of every month, meet in the library after getting your lunch (you can jump to the front of the lunch line) to discuss the book. You *must* return the book at the meeting (or sooner if you finish it earlier) and it must be in good shape. We are borrowing the books from the public library and need to return them in the shape we got them. Our first meeting is **Tuesday, September 28. We will be reading *Scythe* by Neal Shusterman**

A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control.

Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own.

Join us to discuss ***Scythe***.

**8th Grade Book Club:** If you love to read and discuss books (while eating book-themed snacks!), then you should join us for the 8th grade book club. We meet once a month during lunch to discuss the book we read. You can come every month or just for the books that interest you.

This month we'll be reading *Ashfall* by Mike Mullen. *Ashfall* is about Alex, who is left alone for the weekend, and has the freedom to play computer games and hang out with his friends without hassle from his mother. Then the Yellowstone supervolcano erupts, plunging his hometown into a nightmare of darkness, ash, and violence. Alex begins a harrowing trek to search for his family and finds help in Darla, a travel partner he meets along the way. Together they must find the strength and skills to survive and outlast an epic disaster.

If interested, stop by Ms. Lambert's (room 139) or Mrs. Bloom-Johnson's (room 143) room to get a copy of the book. Then, we'll meet during lunch on Friday, September 23 to discuss *Ashfall*. We can't wait to see you!
