Kahler Theatre students - as a reminder, if you were interested in being a member of our TECH CREW for the spring production of 'Matilda', you should not be at any rehearsals just yet! At a later date, we will let those students who have been selected for TECH when to begin coming to rehearsals! If you have any questions, please ask Mrs. Palasz or Nurse Holly. Thank you!

Come on, Kahler - show us what you're made of! The due date for auditions for Kahler's Got Talent is rapidly approaching!! Please fill out the Google Form on your Advisory's Canvas page and submit a video through the Drive. We are looking forward to seeing the many talents that Kahler holds in its walls!!

Let's Flip in February.....

Ms. Rose is looking for students who are interested in making a Flip Grid presentation for the library. She needs your help! If you're interested there will be a meeting this Friday, January 20th, in the library during advisory. Here are a few video ideas she's looking for.

1. **Meaningful Quotes.** What's your favorite quote from a book, and why?
2. **Sell a Book.** Make a commercial to "sell" other students on why they should read a book you love.
3. **Recite a Poem.** Recite your favorite poem with gestures (and even costumes!) Bonus: Write a new poem to recite.

PBIS

For January, Effort is the focus for Student of the Month. At the end of the month, teachers will nominate those students who have shown the most Effort EVERY day. One student per grade level will earn \$10 Kahler Cash and a \$10 Amazon gift card. All nominees will have their names read in the announcements.

Eighth Grade Book Club will be reading *Truly Devious* by Maureen Johnson. on January 27, 2023. It is a **Murder Mystery. The premise is below. If you have never done a book club and want to try something new for the new year, get a book from Miss Rose in the library and join us in the library conference room on January 27 during eighth grade lunch.**

Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. Shortly after the school opened, his wife and daughter were kidnapped. The only real clue was a mocking riddle listing methods of murder, signed with the frightening pseudonym "**Truly, Devious.**" Years later, Stevie Bell is set to begin her first year at Ellingham Academy, and she has an ambitious plan to solve this cold case. But the past has crawled out of its grave: **Truly Devious** makes a surprise return, and death revisits Ellingham Academy
