2. **Sell a Book.** Make a commercial to "sell" other students on why they should read a book you love.
3. **Recite a Poem.** Recite your favorite poem with gestures (and even costumes!) Bonus: Write a new poem to recite.

PBIS

For January, Effort is the focus for Student of the Month. At the end of the month, teachers will nominate those students who have shown the most Effort EVERY day. One student per grade level will earn \$10 Kahler Cash and a \$10 Amazon gift card. All nominees will have their names read in the announcements.

Hey 7th graders! Are you looking for a reading challenge for the month of February? We will be hosting not one, but two book clubs this month! You can feel free to attend just one or challenge yourself and attend both.

Book One: They Both Die at The End by Adam Silvera

Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable Day.

If you're interested in reading this book, please see Miss Rose in the library and join us in Room 178 (Library Classroom) on Tuesday, February 21 st during 7 th grade lunch.

Book Two: Eleanor & Park by Rainbow Rowell

Eleanor, the new girl in town, is heavier than average and struggles with a bad home life. Park, a gloomy half-Korean comic book-lover, is just figuring his life and himself out. As they dive head on into a unplanned, unfathomable first love, their lives begin to crack and crumble.

If you are interested in reading this book, please see Miss Rose in the library next week to pick up your copy of *Eleanor & Park*. We will meet to discuss this book on Tuesday, February 28 th in Room 178 (library classroom) during 7 th grade lunch.

Eighth Grade Book Club will be reading *Truly Devious* by Maureen Johnson. on January 27, 2023. It is a **Murder Mystery. The premise is below. If you have never done a book club and want to try something new for the new year, get a book from Miss Rose in the library and join us in the library conference room on January 27 during eighth grade lunch.**

Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. Shortly after the school opened, his wife and daughter were kidnapped. The only real clue was a mocking riddle listing methods of murder, signed with the frightening pseudonym "**Truly, Devious.**" Years later, Stevie Bell is set to begin her first year at Ellingham Academy, and she has an ambitious plan to solve this cold case. But the past has crawled out of its grave: **Truly Devious** makes a surprise return, and death revisits Ellingham Academy
