**IMPORTANT LIBRARY NEWS** In the next few weeks, all middle school students will be provided with a Lake County Public Library digital access card. This card allows students to access all of the public library's online resources, including databases, ebooks and digital magazines. These free resources can be extremely helpful as your student completes school work, projects and research. If you do not wish for your student to have this card, please feel free to return it to school or discard it when your student brings it home.

Eighth Grade Readers, the lunchtime book club for October will be *Truly Devious* by Maureen Johnson....

*Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. Shortly after the school opened, his wife and daughter were kidnapped. The only real clue was a mocking riddle listing methods of murder, signed with the frightening pseudonym "Truly, Devious." Years later, Stevie Bell is set to begin her first year at Ellingham Academy, and she has an ambitious plan to solve this cold case. But the past has crawled out of its grave: Truly Devious makes a surprise return, and death revisits Ellingham Academy*

If this sounds like a book you would enjoy, see Ms. Rose in the library to pick up your copy.

The book club discussion will be on **Friday, October 13th** in the library conference room. Mrs. LBJ & Ms. Rose hopes to see you there.
