7th grade book club books are in for the December Book Club. Stop in and see Ms. Rose in the library for copies of *Scythe* by Neal Shusterman.

A world with no hunger, no disease, no war, no misery. Humanity has conquered all those things, and has even conquered death. Now scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control.

If this sounds like a book you would enjoy, see Ms. Rose in the library to pick up your copy.

The book club discussion will be on **Monday, December 18th** during 7th grade lunch, in the library conference room.

Ms. Bruckman, Mrs. Lewis, Mr. Peyton & Ms. Rose hope to see you there.

Any eighth graders who like to read, please consider coming to our Eighth Grade Lunch Book Club!

This month's book will be *Ashfall* by Mike Mullin (Science Fiction)

After the eruption of the Yellowstone supervolcano destroys his city and its surroundings, Alex must journey from Cedar Falls, Iowa, to Illinois to find his parents and sister. He must also try to survive in a transformed landscape and a new society in which all the old rules of living have vanished.

If this sounds like a book you would enjoy, see Ms. Rose in the library to pick up your copy. The book club discussion will be on **Wednesday, December 20th** during 8th grade lunch. We will meet in the library conference room. Mrs. LBJ, Ms. Chavez & Ms. Rose hopes to see you there.
