

COVID LCHS Athletics Transportation Release

I _____ (parent/guardian name) am requesting that my son/daughter _____ (student's name) participating in _____ (sport) ride to and from all athletic contests for the 2020-2021 school year. This is only permitted for parents to drive their child to and from all events.

The reason for not riding the bus:

Due to COVID-19 concerns, I am requesting permission to provide transportation to and from all athletic contests for my child(ren) only.

I understand that LCHS Athletics encourages all athletes to ride the bus to and from all athletic contests. This encourages team unity and allows the coach to communicate with all the athletes. Any deviation from this requirement will release the LC School Corp. from all liability for any adverse results that may occur. **Student-athletes may only ride with their parent(s) and/or guardian(s), you may not provide rides for any other student-athletes.**

I agree to release Lake Central School Corporation, its employees and officers from all liability with reference to the above stated transportation rule. This does not include the rules and guidelines for my son's/daughter's specific sport.
