## Arrival and Dismissal continued

Please see the attached map for the traffic pattern for student drop-off and pick-up. Read below to find out where your child will go during arrival and dismissal.

### **Car Riders**

- **During arrival**, car riders will enter from the far west drive (behind Grimmer) and exit at the far east drive.
- Early childhood parents should park in the lot and walk your child to door BB to meet staff.
- If you are a K-4 family and you drive your child to school, you should not park in the lot. Please go through the car rider line.
- Cars should pull up to the stop sign by the playground and stop to let your child out the left side of the vehicle. Students will walk to door AA and enter the building.
- If you arrive late, you must park and accompany your child into the office.
- **During dismissal**, car riders will enter from the far west drive (behind Grimmer) and exit at the far east drive.
- Once the gate is unlocked/opened, vehicles will pull all the way around the building to the stop sign by the playground.
- In the afternoon only, it is mandatory that you place a sign in your window with the child's name, grade, and teacher's name. **Signs are available at Watson.** One side of the sign is green and the other side has the above information listed. Once your child is safely in your vehicle, flip your sign to the green to signal our staff that you are ready to move. This will help with dismissal.

## **Registration**

Online registration is an annual event for all Watson students in August. If you have not created your account and completed your registration, it is important for you to complete this as soon as possible. Registration for the 2020-2021 school year is August 3-6.
