1. Today and tomorrow we will have members of the AdvancED visitation team throughout the building visiting classrooms, speaking with students and speaking with staff. The ten member team will have LC lanyards with ID cards. Please assist them if they need help finding a room or location in the building.

2. On the PtE pass "Library (Tutoring)" has been changed to "Arens (Library Tutoring)". Please make note of this when signing students up to go to the library for tutoring.

3. Some students have been reviewing their progress reports on Skyward and are under the impression that when there is an "Excused" in the Absent column, that they are exempt from doing the assignment. That is incorrect. Students that are absent are expected to make-up all work. The only way an assignment does not count is if a teacher checks off the "No Count" column.

Just a reminder to students that the Daily Announcements can also be found on the high school web site.
