

LAKE CENTRAL HIGH SCHOOL

January 2017

Dear Parent or Guardian,

We are rapidly approaching the time when parents must begin planning for their child's freshman year. We strongly encourage parents to be actively involved in helping their child choose their high school courses. These courses should ensure a student will be challenged yet academically successful and provide the best preparation for life after graduation.

We will host a number of events to assist in planning for your student's high school experience and to prepare for a smooth transition to freshman year. Lake Central High School offers many opportunities for students to grow and find success. Please note that over the course of your child's Lake Central High School education, they will have

- 185 course options
- 23 Advanced Placement course opportunities
- 27 Dual Credit course opportunities (through 5 colleges/universities)
- 23 skilled trades courses and certifications
- 16 Honors courses

Private school parents and students are invited to join us for an meeting that includes an information session, tour, course selection, and student enrollment on:

***Monday, January 23rd
8:15 am to 10:15 am
Lake Central High School Library***

Please RSVP for this event at <https://goo.gl/forms/LtgelDBH4y6htqpU2> You are welcome to park in the visitor's area on the north end of the building and enter through Door A.

Items required to **enroll** a student at LCHS are listed below. These must to be completed and turned in during your visit on January 23rd if your student would like to participate in our Summer School PE/Pool lottery.
