

Lake Central High School

2018-2019 Online Scheduling

Students will request courses through the Skyward Scheduler which is accessible through their Skyward account. The Skyward Scheduler will be open for students according to the following timeline:

Class of 2019: Friday, January 12

Class of 2020: Friday, February 9

Class of 2021: Tuesday, February 13

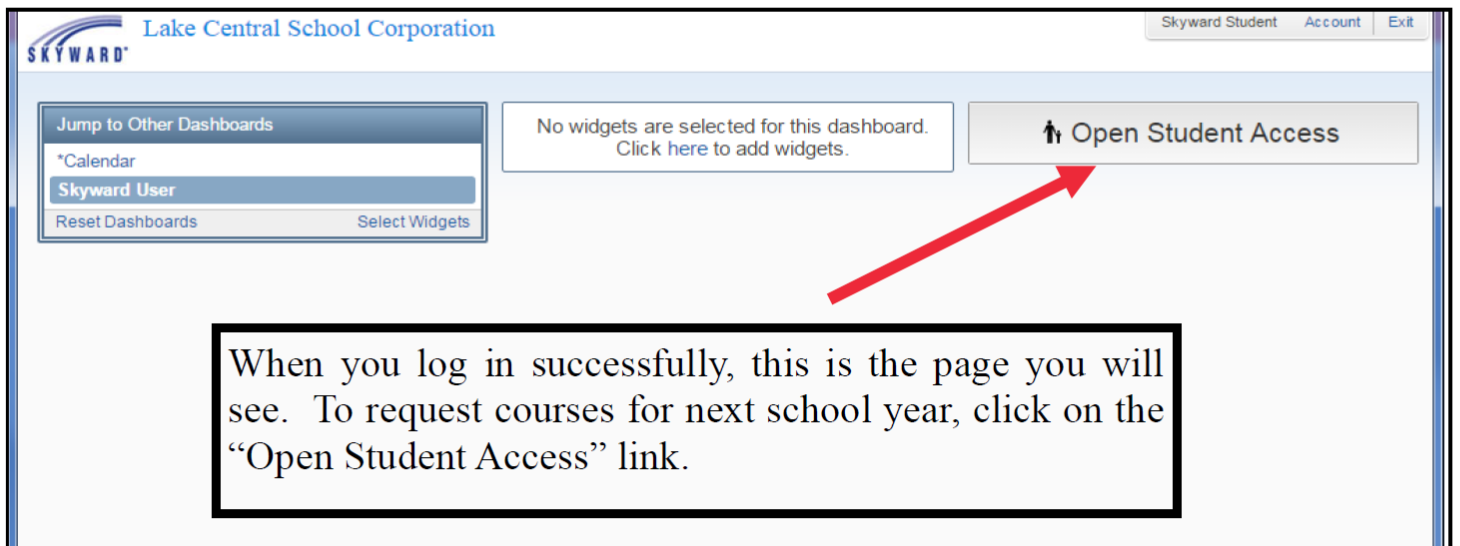

Class of 2022: Monday, January 29

CLOSE Online Scheduling for ALL: Wednesday, February 28

At this point, students will only request the courses they would like to take next year...like a wish list! The high school master schedule is created and staff is assigned based on these student course requests so it is very important for these to be accurate. The requests are NOT based on a first-come, first-served basis. Students have a window of time to select the courses they wish to have in their schedule next year.

The scheduler will close for all groups on Wednesday, February 28. Students will no longer be able to make changes to their requests after that date. This is when the master schedule will be built.

Instructions for requesting courses are below. Read through these thoroughly and completely prior to emailing your student's CURRENT counselor. If your student is currently in 8th grade, please direct your email to the appropriate middle school counselor. If it becomes necessary to email your student's counselor, please be aware there is an extremely high-volume of communication during scheduling.
