Most Improved Students

Two of our very own students will be awarded a special gift from Albert's Jewelers. Gavin Niven and Ella Paulauski have been selected as the 4th Grade Most Improved. This award is given to those who have shown significant growth throughout their time at Bibich. We are so proud of them. Keep up the great work!!

Happy Retirement

MISS Borka, Mrs. Forsythe, & Mrs. McNamara

Borka Koncalovic began working at Lake Central in October of 1993, thirty years ago. She retired in September of 2023 and spent her last day being showered with love from the students and staff at Bibich. Borka is great at anything she does. She gave great marriage advice, was a remarkable cook, particular Serbian dishes, and has amazing work ethic. Borka's laugh is contagious and while we are happy she is enjoying retirement with her family, we certainly miss her at Bibich.

Nancy Forsythe is completing 25 years with Lake Central this year. She started at Homan as a lunchroom supervisor in September of 1999. In August of 2007, she transferred to Bibich as a playground supervisor. In June of 2012, she took a position as a paraprofessional at Bibich. She is ridiculously great at car duty. Nancy is famous for her delicious veggie pizza. She always jumped into new opportunities with a smile on her face, even working with students with the highest needs. Her children went through Bibich as students (and one works at Bibich now!) and her grandchildren are starting to as well. While Bibich won't be the same without Nancy, we know she has two special little grandkids who can't wait to spend time with her!

Denise McNamara was hired in December of 2007 at Bibich as a cafeteria assistant. She switched over to being a paraprofessional at Bibich in August of 2009. Denise did an amazing job with bus duty daily, rain or shine. She was dedicated to our students and always willing to help the staff. Bibich will miss her lively and humorous personality at the school events.
