- 1 bottle of hand sanitizer

*Snacks are a part of our daily schedule where we practice core vocabulary, social skills, and making choices. While we do not partake in a family style/community snack where everyone share the same snack due to specific diets, allergies, and COVID-19 procedures, your child's snack is ONLY for them. You may send in a different snack each day or send in a bulk amount. Each student has their own bin with their snacks safely stored in our cabinet. We do have a small refrigerator if we need to store some items.
