# THE COYOTE HOWLING

HAPPY 10th  
ANNIVERSARY  
\* CMS \*

2017-2018

Summer  
Volume 10, Issue 1

**From the Desk of Principal: Scott Graber**

Welcome to Clark Middle School—Home of the Coyotes. As we begin the 2017-2018 school year, I extend a special welcome to our incoming 5th grade students and their parents. For our new students to Clark, welcome to the St. John area. The CMS staff anticipates a great year and look forward to several years of superb instruction for your child at CMS! I am extremely excited to announce that this is our **10th anniversary** at CMS. During the school year, students will be doing activities to celebrate the occasion. Stay tuned for more information and help us celebrate an awesome school, awesome students and awesome staff.

Communication is a critical component of the middle school setting. With each schedule, the student may have as many as 5-7 different teachers in a day. The aspect of being organized becomes extremely critical when moving from class to class, going to a locker, taking the correct books and materials to class, as well as being on time. In each aspect, it is our goal to work with your child and assist them in the transition process. Please contact the teachers, the guidance staff, or the administrative team if you have questions

As soon as you register, all students will be provided a schedule online which will outline their teachers and locations for classes. **I encourage ALL students and parents to come and tour the school on August 10th (10:00-6:00) and walk the building, find your classes, and ask questions. Spirit wear and physical education uniforms will be available for purchase from 10:30 - 5:30. Unfortunately, please do not come to the school prior to August 10th as the custodial staff will still be cleaning the facility.**

As the year begins, please be mindful of the “items” listed below. It is imperative that we work together. For the staff, the education & safety of your child are our top priorities. Please help us by following the established guidelines regarding drop-off and pick-up procedures, volunteering, assisting in the classrooms, medications, homework, and dress code issues. Clark is a very busy place. With this in mind, please help your child by doing the following items regularly:

- \*check the Clark website frequently as updates, changes, and general information are listed and announced for the students

- \*breakfast is served daily in the cafeteria beginning at 8:15—for bus riders

- \*if you are planning on picking your child up early, please send a note or contact the main office by 2:00 pm indicating the time that you need to pick up your child and they will be waiting for you in the main office---you **MUST** come in and sign them out of the school

- \***please DO NOT park in the handicapped parking unless you are handicapped or have permission to park in the reserved spots—we have several parents that need these reserved areas to assist their children**

- \*check the corporation calendar regularly. Please note that the calendar is online ---we will not have any calendars available at the school to pass out to parents

- \*monitor what your child is wearing to school—dress code rules apply

- \*if you are volunteering at school, please make sure to fill out the limited criminal history check form—good for each school year and is available in the main office area. A copy of your driver's license is also required

- \*Please support the school fundraisers throughout the year. Many of our programs and assemblies are possible due to your efforts and success. We “THANK YOU” in advance.

Clark has many different activities for the students to take part in from academic clubs and competitions to athletics and drama. Please encourage your child to get involved and continue those activities throughout the years at Clark. For more activities, please check out the Clark website and encourage your child to be an active part of Clark.

Please feel free to contact me with any questions or concerns. Stay safe and enjoy the remaining days of summer.

**2008—2018 Celebrating 10 great years!**

Thanks for your help when dropping your children off by door J on the south side; however, please be mindful of the following issues:

(1) make sure that you remain in the car line and do not allow your child to exit the vehicle until they are directed by a staff member. (2) If you are parking your car, please use a proper parking spot. (3) The handicapped parking spots are needed for our students with disabilities and we appreciate your help in keeping those spots available. (4) When escorting your child to door J, please use the cross-walk located by the three orange cones. Thanks for your help in this matter!

## Clark Middle School After school Procedures

To improve the safety of our students, staff, and guests, please follow the procedures listed for car riders. All students who are being picked up will need to exit the building at Door J, which is the main entrance. We will load and release cars along the curb first. We strongly encourage everyone picking up to get in this line. We usually have cars loaded and released by 3:50. Students waiting to enter the parking lot to a guest in a parked car will be released after the cars along the curb have exited. Please do not use the other lanes in the parking lot to pickup or drop off your children. Those lanes are for cars to find parking spots. In addition, please do not use the parking spots designated for our handicapped guests unless you have the appropriate pass.

Thanks for working with us to make our parking lot safer for all. Please share this information with anyone that will be picking up your children.

### Box Tops for Education Update:

This school year we had a decrease in our Box Tops donations. We earned about \$670 compared to \$1200 last year.

We awarded a \$5 Target gift card monthly to each grade level winner and each semester the winning homerooms received an ice cream treat from the café.

Starting in August of 2017, we will begin a new award program for Box Tops for Education. Each semester, the top three students bringing in Box Tops will win Target gift cards (\$20, \$15, or \$10). If we get a large increase in the number of Box Tops turned in, we will increase the number of prizes.

**Please remember that the box tops do expire.** Expired box tops will not be counted for the contest. Since they can't be submitted for redemption, they will be thrown away.

Let's try to see if we can make more money to build up the student activity fund. Please remember **all** the money goes back to the students!!!!

Check the following list and the Clark webpage for a complete list of items that are included in the Box Tops for Education program. You may be surprised with some of the items!
