Please download the free app on your phone and follow the directions to set it up. This is only for the NEW box tops. The digital change may take a few years to happen. There are still the old box tops on boxes. We will still be counting the old box tops as long as they have not expired. Please send in all unexpired box tops to school and have your student place them in the box in the office. If you have any questions, please do not hesitate to call or email me.
