SCIENCE OLYMPIAD

A huge congratulations to the Science Olympiad team at state this weekend at Purdue...they took home two medals! Our 8th graders, Logan Carroll and Omar Hijaz placed 3rd in Mousetrap vehicle out of 25 teams and Belle Smedley and James Weber, 6th graders, took 2nd in Agricultural Science!! A huge congratulations to the Science Olympiad members for a great first year! Miss KP and Mrs. Dominik

CLARK CHOIR

The Clark 6th and 8th grade choirs competed in this weekend's ISSMA competition. Both groups earned GOLD ratings for their outstanding performances. Congratulations, Clark singers!

We want to recognize both the bands and choirs for all their hard work during this difficult time of Covid. Wearing masks and instrument filters while performing over the past two years has NOT been easy. We are very proud of you and all the hard work you've put in throughout this challenging time. Keep up the great work!

CLARK BAND

Over the weekend, the Clark Middle School 7th and 8th grade bands performed at the ISSMA organizational festival and were each awarded a GOLD rating. Despite the challenges of making music that were brought on by the pandemic over the past 2 years, the bands performed the same level of music they always would. In particular, the 8th grade band was the ONLY band in the area to perform group 1 middle school literature. Group 1 means that their music was chosen from a list of some of the most challenging music written for middle school bands. Congratulations to all of the members of the 7th and 8th grade bands for a fabulous performance in return to competition and for your efforts in earning a gold rating. You can next hear the bands at their Spring Concert on May 11, 2022.
