STUDENTS: [Click here for Google Meet](#)

[Video explaining how to navigate this course:](#)

Students log in to Chromebook, Canvas, Clever (textbooks) and Google (Gmail, Meet, Drive) using the **student email address and **password** (PW--Capitalized first initial of the first name; capitalized first initial of last name; followed by student ID number-NO SPACES).**

Everything students need for classes will be posted through Canvas (as shown above). The website for Lake Central for Canvas is: <https://lakecentral.instructure.com> Please bookmark this website. You must use the Lake Central website for Canvas. *Please do not just Google "Canvas" and use the generic website.*

Find your child's student **Gmail** and **student ID number in Skyward** Family Access on the **Student Info tab**. It should be right by their student picture and end with @lcstudents.com. Their student ID number is listed as **Other ID** under their picture.

EXAMPLE STUDENT LOGIN & PASSWORD

Student: Robert Lawrence Stine

Username: rlstine@lcstudents.com

Password: RS1234567

For Canvas **parent account** creation you will need to:

1. Log in to student's account **FIRST**
2. Generate pairing code from the student User Settings Page (links observer to student in all their courses)
3. Log out of the student account, then **REGISTER** for the Parent Account by clicking "Parent of a Canvas User?"
4. Enter student pairing code in Canvas User Settings (or in the Canvas Parent app)

[Parent of a Canvas User?
Click Here For an Account](#)

MORE DETAILED DIRECTIONS IN THE LINKS BELOW (pg 2). Once the parent account is created and paired, parents will only log in to their parent account, not the student account.
